2016 CANADA PRODUCT CATALOGUE

Prestone.com

Prestone® - Trusted quality since 1927. The brand for mechanics who want to do the job right – the first time.

Since 1927, the mission at Prestone is unchanged – Provide the finest automotive fluids in the world. As the leader in Antifreeze, Brake Fluid, and other automotive fluids, Prestone has developed the well-earned reputation as the innovation and quality leader. Prestone has long been relied on by manufacturers worldwide to develop the most advanced products and testing methodologies. The industry-leading Prestone Technology Center and corporate-owned production facilities continue to set the standard for product and process excellence.

Prestone has always been the industry leader in innovation and continues to set the standard. With the successful launch of Prestone with Cor-Guard™ Inhibitors, Prestone continues to provide

leading-edge technology that improves the life of engines. In addition to the superior corrosion-stopping Cor-Guard™ inhibitors, Prestone Command® products continue to deliver the technology and innovation that fleets can trust. Brake and Power Steering Fluids continue to dominate their categories with products that last longer and provide the customer with peace of mind that the job was done right.

The best service centers know consumers trust Prestone to keep their cars and trucks running optimally. With your reputation on the line, with every product and every service that you perform, don't take chances with less respected brands. Prestone it.

NO MATTER WHAT COLOUR YOUR ANTIFREEZE IS...

COR-GUARD

ANTIFREEZE/COOLANT

PRESTONE® EXTENDED LIFE ALL MAKES ALL MODELS ANTIFREEZE/COOLANT

Prestone® Concentrate and 50/50 Antifreeze/Coolant help a vehicle's engine last longer with improved extended life technology. Fortified with Cor-Guard™ inhibitors, Prestone's patented formula prevents corrosion, helping a vehicle's cooling system run more efficiently and last longer. Prestone with Cor-Guard™ inhibitors is compatible with ANY antifreeze/coolant, regardless of color, and can be used in ALL makes and models of cars or light duty trucks. Prestone Concentrate provides protection up to 5 years or 250,000 km when flushed and filled according to directions. Prestone meets or exceeds ASTM D3306 and D4985 for corrosion protection for cars and light duty trucks. Top-off a vehicle's cooling system with Prestone 50/50, which is a blend of concentrated antifreeze/coolant and demineralized water.

PRESTONE® DEX-COOL® EXTENDED LIFE ANTIFREEZE/COOLANT

Prestone® DEX-COOL® Concentrate and 50/50 are formulated for use in ALL vehicles that require DEX-COOL antifreeze/coolant. They can also be used in ALL other cars and light duty trucks that use extended life coolant. Prestone DEX-COOL Concentrate provides up to 5 years or 250,000 km of protection when flushed and filled according to directions. Prestone DEX-COOL 50/50 is the featured factory-filled blend used by major auto manufacturers. The blend contains 50% antifreeze for temperature and corrosion protection and 50% demineralized water for vital heat transfer. Prestone DEX-COOL meets or exceeds ASTM D3306 ASTM D4985 and SAE standards for corrosion protection and meets General Motors GMW3420 (GM 6277M), Ford WSS-M97B44-D, and property and performance specification requirements for FCA (Fiat/Chrysler) MS12106 (MS-7170 & MS-9769). Prestone DEX-COOL Antifreeze/Coolant has been approved by General Motors to be licensed as DEX-COOL product under the GM 6277M specification.

CELSIUS ANTIFREEZE/COOLANT

CELSIUS® BY PRESTONE® EXTENDED LIFE ALL MAKES ALL MODELS ANTIFREEZE/COOLANT

Celsius® Extended Life AMAM Concentrate and 50/50 are compatible with ANY antifreeze/coolant in ANY vehicle with aluminum or other cooling system metals. The formulas have a blend of long-lasting inhibitors to guard against temperature extremes and the effects of rust, corrosion, and premature water pump failure. Top-up your cooling system with Celsius extended life AMAM 50/50, which is a blend of 50% antifreeze and 50% demineralized water. Celsius Concentrate and 50/50 meet or exceed ASTM D3306 and D4985 for corrosion protection for cars and light duty trucks, while providing reliable freeze-up and boil-over protection.

COOLING SYSTEM TREATMENTS

Prestone® Radiator Flush + Cleaner is a premium 2-in-1 formula designed for either a quick flush or for a heavy duty cleaning. It removes rust, corrosion, scale, and solid materials from the cooling system to help prevent overheating, a leading cause of engine failure.

Prestone® Radiator Stop Leak's patented formula quickly stops leaks in radiators, water pumps, and heater cores, while also protecting against pitting and corrosion.

Prestone® Radiator Sealer's patented formulation quickly seals **larger** leaks in radiators, heater cores, and water pumps to provide a strong and durable seal.

Prestone® Radiator Complete Care Prestone Radiator Complete Care provides complete cooling system restoration and protection in just one treatment. Patented grafted polymer technology protects water pump life by reducing friction and protection against rust and corrosion.

Prestone® Radiator Complete Care + Stop Leak Prestone Radiator Complete Care + Stop Leak provides complete cooling system restoration and protection in just one treatment, PLUS stops and prevents leaks in radiators, heater cores and water pumps. Patented grafted polymer technology protects water pump life by reducing friction and protection against rust and corrosion.

COOLING SYSTEM TOOLS

PRESTONE ANTIFREEZE/COOLANT TESTER

Prestone Antifreeze/Coolant tester Enables quick and easy testing of coolant for anti-freeze protection, and summer time testing of anti-boil protection. Allows important inspection of fluid for rust and sediment. Works for all ethylene glycol coolants, including Prestone DexCool extended life antifreeze/coolant.

ICE FIGHTERS

PRESTONE WINDSHIELD DE-ICER

Prestone® Windshield De-Icer is made from a concentrated, high-performance, ice-melting formula that quickly melts ice and helps reduce dangerous refreeze. A convenient ice scraper top helps clear icy windshields. The uniquely designed micro edge scraper can withstand tough use, with its strong polycarbonate blade.

PRESTONE ICE & FROST SHIELD

Prestone® Ice and Frost Shield vehicle glass treatment is a night before treatment to help reduce morning frost, light ice and snow, so it won't stick to the windshield and wiper blades. This product reduces the time and effort it takes to clear winter window glass. Spray on at night, frost won't stick in the morning.

HEAVY DUTY ANTIFREEZE/COOLANT

PRESTONE COMMAND® HEAVY DUTY NITRITE FREE EXTENDED LIFE ANTIFREEZE/COOLANT

Prestone Command® Heavy Duty Nitrite Free Extended Life Concentrate and 50/50 Antifreeze/Coolant are Organic Acid Technology (OAT) for use and compatible with ANY OAT Extended Life Heavy Duty antifreeze/coolant in ANY diesel powered commercial vehicle engine or stationary engine. Its advanced, patented formulation is a concentrated blend of premium long-lasting inhibitors to provide up to 600,000 miles/12,000 hours* of protection against temperature extremes, rust, corrosion, scale, and premature water pump failure.

**TOP UP: Will maintain extended life protection when added to any OAT Extended Life antifreeze/coolant.*

FLUSH AND FILL: Receive protection for up to 600,000 miles or 12,000 hours with a complete flush and fill using Prestone Command Nitrite Free Heavy Duty Extended Life Concentrate.

PRESTONE COMMAND® HEAVY DUTY EXTENDED SERVICE INTERVAL ANTIFREEZE/COOLANT

Prestone Command® Heavy Duty Extended Service Interval Concentrate and 50/50 have advanced corrosion protection technology. The pre-charged extended service interval (ESI) technology product is compatible with ANY conventional heavy duty coolant and ALL filter technologies. Prestone Command antifreeze/coolant can be used with ANY antifreeze/coolant in ANY heavy duty engine used in normal to severe duty cycles and extreme temperature conditions. These products will provide protection against freezing, overheating, cavitation erosion, corrosion, and scale & foaming without the need of in the initial fill and maintain extended service protection when added to any HD ESI antifreeze/coolant.*

**Use HD200 Supplemental Coolant Additive, as required, to maintain your cooling system.*

TAKE COMMAND WITH THE COMPLETE SOLUTION.

At Prestone, we know it's about increasing uptime and decreasing maintenance costs. Prestone has pioneered antifreeze/coolant innovation for the better part of a century. It's what we do. And we've done it again with the Prestone Command® family of products. Our advanced and patented antifreeze/coolant formulas, additives and testing products deliver the technology and innovation fleets can trust. It doesn't matter if you're rolling through brutal heat or grinding cold – when big rigs go out of commission, money is lost.

The Prestone Command® line of heavy duty antifreeze, additives, and testing products delivers the technology and innovation fleets can trust. These products protect your engine from extreme on-road conditions and corrosion, while increasing uptime with the proven reliability of Prestone.

Prestone Antifreeze/coolant has protected vehicle cooling systems since 1927.
